Part 1: Notices

To Debtors: This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. 2.3 Income tax refunds.

Check one.

- ☐ Debtor(s) will retain any income tax refunds received during the plan term.
- ☐ Debtor(s) will supply the trustee with a copy of each income tax return filed during the plan term within 14 days of filing the return and will turn over to the trustee all income tax refunds received during the plan term.
- ☒ Debtor(s) will treat income tax refunds as follows:
The following tax years are proposed to be contributed: 2021, 2022, and 2023. On or before April 30 of each applicable year, debtors shall provide the Trustee with a copy of the first two pages of filed state and federal tax returns. Any required tax refund contributions shall be paid to the Trustee no later than June 30 of the year the applicable return is filed. The Debtors are authorized to retain any Earned Income Credit and/or Additional Child Tax Credit as they are excluded from the disposable income analysis under 1325(b)(1) as being necessary for maintenance and support of the Debtors. The Debtors shall contribute any refund attributable to over-withholding of income tax that exceeds \$1,000. However, debtors are not obligated to pay tax overpayments that have been properly offset by a taxing authority. Tax refunds paid into the plan may reduce the plan term to no less than the Applicable Commitment Period, but in no event shall the amount paid into the Plan be less than thirty-six (36) or sixty (60) Plan Payments plus all annual tax refunds required to be paid into the plan. For the first tax year contribution for 2021, the Trustee will determine if the section 1325(a)(4) best interest of creditors test has been satisfied and will provide to counsel for the Debtor(s) a calculation of the required pot amount. If a pot to unsecured creditors is required, the Debtor(s) will have thirty (30) days from receipt of such calculation to file a motion to modify the plan to provide for the required return to unsecured creditors or to stipulate to an order modifying the plan, which order will be prepared by the Trustee. The Debtor(s) must satisfy plan feasibility through either increased monthly plan payments or the turnover of a lump sum contribution of the current tax refund. If a lump sum contribution is elected, the Trustee is not required to segregate such lump sum contribution and pay it immediately to unsecured creditors, but instead shall disburse such lump sum contribution in accordance with the Order of Distribution set forth in Local Rule 2083-2(e). If the Debtor(s) fail to file a motion to modify, the Trustee will move to dismiss the Debtor(s)' case. The Debtor shall contribute any refund attributable to overwithholding of wages that exceeds \$1,000.
